JULY 2015

Referrals are our biggest compliment. If you refer someone to Power Alarm Security and they sign up we will provide up to a \$50 credit on your account

POWER ALARM is working on GOING GREEN and we need your help!

We are offering a one-time \$10 credit on your next invoice to sign up for paperless billing. Please call and provide your email address today or send it to info@poweralarm.com

We are also now offering a quick and convenient way to pay your bill online through our website. Just go to www.poweralarm.com and click on the **PAY YOUR BILL** tab at the top of the page. To sign up we must have your email address on file. Call (216) 289-5600 to provide your email address for it to work.

WHO NEEDS THAT OLD LANDLINE ANYWAY?

Power alarm can monitor your security system through cellular services which allows you to eliminate your telephone line. We would install a device called Starlink which is a cellular communicator that routes the signals through cell towers versus your telephone line. Having cellular service gives you more reliability in the event that your phone line is compromised during storm activity or your phone lines are cut during a break-in. Please contact our office to get Starlink installed today

SPECIAL OFFER!!

POWER ALARM IS OFFERING A PROMOTIONAL PRICE EXPIRING JULY 31, 2015 OF JUST \$99.00 FOR STARLINK INSTALLATION

+A SMALL ADDITIONAL MONTHLY COST APPLIES FOR USE OF CELL TOWERS
Call today for more information or to schedule your installation

(216)289-5600

WITH 4th of JULY right around the corner Power Alarm wishes to remind you how important fire safety is:

It was reported in 2011 that fireworks alone caused 17,800 fires; Out of those 17,800 fires there was an estimated \$32 million in property damage!

Power Alarm recommends having a monitored smoke detector on each floor at the very least, and outside of every sleeping quarter of your home. Each home should also have a 9 volt battery operated smoke detector as a back-up (these smoke detectors are not provided by Power Alarm but may be purchased at your local hardware store)

HAPPY 4TH OF JULY!!
