FEBRUARY 2016

KEEPING YOUR EMERGENCY CALL LIST CURRENT

It is important to keep your records current so we can reach you the event of emergency. Feel free to contact our office with any changes or email info@poweralarm.com

For Commercial accounts we will need the information

PAY ONLINE: Place a one-time call to our office so we can enter you into our system. Then go to www.poweralarm.com and hit the "pay your bill" tab at the top of the screen. Enter your info and you are done!

AUTO PAY: Provide your checking account info, debit card, or credit card info to be automatically withdrawn from your account monthly.

PAY ANNUALLY: Pay your bill a year in advance and receive (1) free month of monitoring!

Always test your Power Alarm System.

Step 1- Call our Central Station at (216) 383-0300 to put your system on test (Have your account number or password ready)

Step 2- Arm your system, trigger an alarm to go off. When you hear the siren you may disarm your alarm system.

Step 3- Call us at (216) 383-0300 to make sure we received your alarm signal. If the signal is not received call Power Alarm at (216) 289-5600 for further assistance.
